

Junior Game Improvement Clinics 2018

Spring Junior Clinic

A 2 week 4 session series that introduces the fundamentals to our Junior golfers and expands on those basics to all LLB and area juniors. Starting with each class, we will emphasize the basics and begin to expand our knowledge and enjoyment for the game of golf. Each Clinic will include 1 hour of instruction, followed by reserved tee-times (extra \$) for juniors following the clinic. We at lac La Biche Golf Club encourage and understand the importance of junior golf as the future of the game in our community.
